

High School Project Based Learning Let's Get Started!

Project Based Learning (PBL): [PBL YouTube video](#)

- JAG has promoted PBL as a mode of instruction towards competency attainment. PBL Menus serve as tools to assist in the planning of projects. JMG would like all Career Specialists to attempt at least one PBL this school year.
- The two PBL menus listed below are toolkits with suggestions on how to build a PBL regarding the following required activities: The development of a Montana Career Association and a component of the Program of Work-Service Learning.
